

Chambers County Appraisal District is the entity responsible for appraising property in Chambers County for property tax purposes. We are now accepting applications for the position of **field appraiser**. We seek to expand the appraisal team to better serve our rapidly growing county.

**Overview:**

As a field appraiser you'll primarily collect and record data in the field. Your goal will be to provide the accurate information needed to conduct mass appraisal. Your success will benefit the appraisal district, taxpayers, taxing entities and the development of your career.

**Benefits:**

The Chambers County Appraisal District offers a competitive salary and benefits package.

**Requirements:**

Graduation from an accredited high school or equivalent

Strong math, analytical and communication skills

Ability to self-motivate and work independently

Reliable transportation, valid Texas driver's license & proof of liability insurance

**Responsibilities:**

Field inspections including physically measuring structures

Data collection/entry

Market research/analysis

Assisting taxpayers

Completing appraiser certification requirements
